

Die Lang- und Mittelwellensender in Europa, Nahost und Afrika bei der Umstellung nach dem Genfer Wellenplan am 23.11.1978 inkl. der Neukoordinierungen

1978

Quelle: World Radio & TV Handbook 1979

Power:

indicates the maximum power as registered with the ITU

() indicates current power (official or estimated)

Location:

indicates new station registered with ITU, but not yet operated acc. to observations

() indicates present location, to be replaced by the new one required with ITU

S indicates that the station is part of a synchronised network
